

# conversations on a **BENCH**

24 HOURS OF UNFILTERED CONVERSATIONS

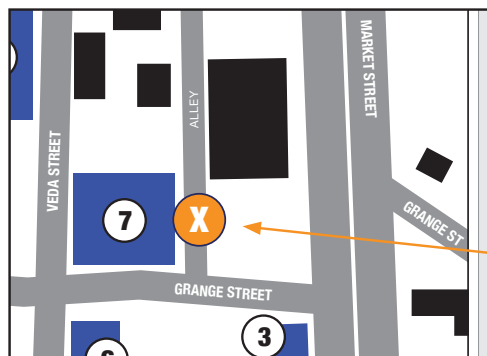

Join us for **Conversations on a Bench** — a unique 24-hour livestreamed storytelling event happening **October 9–10, 2025**.

**Conversations on a Bench** seeks to raise awareness and inspire community engagement around homelessness, addiction, and mental health. Through 24-hour, livestreamed conversations, this initiative breaks down barriers, and builds empathy through meaningful discussions about homelessness, addiction, mental illness, policy, the challenges faced by our community, and to explore how the community can help address those challenges effectively.

[ **SIT • LISTEN • SHARE** ]
