

HOST A DRIVE...

Help your neighbors with food, clothing or toys.

Make a real impact in your community.

Hosting a food drive or collection is one of the most impactful ways to provide for our community's most vulnerable men, women, and children. It helps to:

- Bring awareness to hunger and homelessness.
- Inspire your community around a common goal.
- Be catalysts for changed lives.

You can begin in just 3 easy steps by going online to:

GNRM.org/HostADrive
