

Good News Rescue Mission

A Week of Hope & Harvest of Hope Virtual Event

Because hope isn't cancelled

October 19-24, 2020

Sadly, we are unable to hold our Harvest of Hope Gala in person this year. But we still need your help. The Harvest of Hope is the largest fundraiser for the Good News Rescue Mission and without it we could not continue to help people get off the streets and transform their lives as we always do.

That's why we're asking for your help and sponsorship for our virtual Week of Hope. We'll be sharing stories of hope and encouragement from the Mission October 19-24 online. And on the 24th we'll be holding a virtual Harvest of Hope that you can watch from the comfort of your own home and throw a watch party with your friends and family.

We believe this new virtual format will us to reach even more people than before, and for sponsors, it means more publicity for your business. You receive recognition not just during the virtual live event but also throughout the week as we inspire people with stories of hope.

Join us, as we share the hope that is found at the Mission.
