From Seeds of Hope to Fields of Dreams

"Let us consider how we may spur one another on toward love and good deeds." Hebrews 10:24

We are excited to announce the return of our 16th annual Harvest of Hope fundraiser! This year, we're embracing the theme Field of Dreams, knowing each life grows From Seeds of Hope to Fields of Dreams and each of us gets to be a part of the team.

We are inviting everyone to relive the nostalgic, all-American baseball experience under the stars. Dress in your favorite baseball jersey or casual park attire, and join us for an evening of faith, hope, and inspiration.

The event will feature a sit-down BBQ dinner crafted by our new team of culinary masters, soulful music from a local artist, testimonies, and some huge developments during the State of The Mission address.

Harvest of Hope is the most significant fundraising event for the Good News Rescue Mission. This special night generate essential funds to support individuals who are homeless and facing addiction, empowering them to transform their lives. We invite you to partner with us through a financial sponsorship to ensure everyone has access to the serves they need.

We believe that every person has the potential to turn their life around, and every seed of hope planted can grow into a field of dreams. By sponsoring this event, you will be instrumental in harvesting fields of dreams.
